School Characteristics and Replicable Practices

Academic Excellence

- Lee Middle School has 63 certified staff members with 46 of the staff holding advanced degrees (*Doctorates—3; Specialists—21; Masters—22*). The staff has 48 members who have ten or more years of educational experience. All three administrators have advanced degrees. Two administrators have Doctoral degrees in Educational Leadership and one administrator has a Specialist degree in School Improvement. We also have one teacher with a Doctoral degree in Curriculum and Instruction.
- Teacher/Student Advisement Program (HOUSE), which assists in the development in the educational plan for all students for high school and beyond
- Increased use of data in monitoring results and planning improvements
- Professional Learning Community which emphasizes 21st century teacher collaboration
- Blocked planning time on Thursdays allow for Professional Learning Groups to meet and plan together as well as additional professional learning opportunities.
- Blocked planning time on Tuesdays allow for team teachers to collaborate and plan together.
- Interventions to help students who are struggling academically
- Technology applications with instruction
- Rigorous Standards-Based curriculum
- Highly-qualified experienced/stable faculty

- Continuous School Improvement Model which emphasizes improvement in ALL areas yearly
- Earned Adequate Yearly Progress for ALL measured years in Georgia (2007-2015)
- Students are recognized for their academic success through semester Awards Programs
- Co-teaching/inclusion at all grade levels
- Students are given quick benchmark assessments in order to identify those who need extra academic support and acceleration.
- Special education students are taught collaboratively in the regular classroom and have additional support in the school day through a connections class in which academic material that they are struggling with is re-taught with additional work samples, teacher guided instruction and use of manipulatives. Basic skills are also reviewed and honed during this instructional time.
- School-wide character education program—*The Way of the Wolf* and nationally recognized Behavior Education Program (BEP)
- PBIS School - Third year implementation
- HOUSE - provides students with a sense of belonging to not only their school but also to a group of students and teachers within the school who help guide them throughout their middle school years.
- School Improvement Leadership Team - monitors School Improvement Plan and provides direction for school improvement efforts

Timberwolves Developmental Responsiveness

- All students are on a four person team of teachers
- Connections classes including art, music, band/chorus, foreign language, ELA remediation, Math remediation, and TWTV - students are allowed to register for their connections classes at the end of each school year.
- Parent/Community involvement opportunities including Career Day, Parent Teacher Committee, Partners in Education, School Council, Volunteer opportunities, HOUSE Reward Days, Watch D.O.G.S.
- One-on-one and after school tutoring, neighborhood tutoring
- Clubs and activities appropriate to the middle school learner
- Experiences through curricular and extra-curricular activities that provide opportunities for the development of leadership and positive social skills.
- The Way of the Wolf behavior expectation matrix, HOUSE and the Behavior Education Program (BEP) – a school-wide positive behavior intervention system. PBIS App utilized by students, staff and parents.
- Data area, accessible to students, faculty, parents and community members with analysis of academic information
- Staff includes two dedicated counselors to help us inspire students to become successful adults. The counseling staff members provide sympathetic ears, but remain resolute in their push to develop responsible citizens. Classroom guidance is provided based on student and staff surveys.
- Students also participate in interscholastic sports. LMS offers the following sports teams: football, volleyball, boys' and girls' basketball, boys' and girls' track and field, boys' and girls' soccer
- Chorus and band consistently earn superior ratings and send students annually to district honor band and chorus
- For our aspiring artists, we offer an Art Club where they can discover and express themselves through various artistic venues including paint and print media.
- For our tech savvy/communications interested students in 8th grade, they have the opportunity to apply to become a member of the Timberwolf TV News Crew (TWTV)

Timberwolves Social Equity

- There are high expectations for achievement for ALL students.
- RTI (Responses to Intervention) provides a framework for meeting the academic needs of struggling learners.
- Special education students are taught collaboratively in the regular classroom and have additional support in the school day
- Students participate with the community through the American Cancer Society's Relay for Life and the Coweta Food Pantry's can-a-thon
- Club meetings during school day to offer opportunities for all to be involved
- Variety of clubs that meet before and after school
- Students enjoy Veteran's Day programs including an introduction to local retired and active-duty service personnel
- Advisement Period occurs every day - a time for building teacher-student relationships and setting goals
- Silent-sustained reading, an effort to build fluency and foster a love of reading
- Middle school handbooks and agendas are provided for all students; students are encouraged to write their assignments in their agendas and receive HOUSE points when checked by an administrator.
- Faculty versus students - volleyball and basketball games
- Annual Multicultural Program
- Character Education word of the week read on the announcements each day and lesson taught in HOUSE at least once per week
- Good Behavior Referrals
- HOUSE concept w/ peer mentoring modeled after the Ron Clark Academy

Timberwolves Organizational Supports

- Remediation connections class in ELA (based on GMAS and STAR Reading scores)
- Remediation connections class in Math (based on GMAS and GRASP math scores)
- Department meetings for subject area teachers to plan vertically
- Collaborative subject/grade level planning to create/review common assessments and plan lessons for the week
- Teacher perfect attendance certificates and recognition at Faculty Meetings
- Teacher Achievement Pins and personalized notecard from administrators
- Ron Clark book study
- The school understands the value of direct communication and recognizes this by hosting transitional meetings for parents of rising 5th graders, so their concerns can be voiced and their questions can be answered.
- Upcoming 6th grade students receive a booklet about what to expect at Lee Middle School before starting middle school
- Weekly newsletter sent home via email to parents about upcoming events, including academic events, club meetings, athletic events, school fundraisers, and PTC functions
- Monthly curriculum newsletters sent home and posted on social media by grade level

- The PTC celebrates teachers throughout the year by organizing gracious luncheons, opening an “ice cream shoppe” for a special treat, and surprising them with gifts, such as a car wash.
- Twitter, Remind101, Smore On-line Newsletter, Facebook, Weekly school newsletter and One Call Now are all used to share information with the community
- Daily phone calls to parents concerning student absences
- School Improvement Leadership Team (SILT) – representatives from every area of the school analyze data and guide school improvement efforts
- Response to Intervention (RTI) Pyramid of Interventions
- Peer observations
- Parent Portal – to check students grades and to communicate with the teacher
- Mission Statement – Learning, Motivating, Succeeding – posted in all classrooms and tied into Character Education every day
- Participation in the GAPSS process every five years which is instrumental in system wide accreditation through AdvancED
- Quarterly school council meetings which includes teachers, parents, business members, and the principal to discuss school improvement
- HOUSE concept of teaming (Adult Advocate)
- **Watch D.O.G.S** - “Dads of Great Students” program to include fathers in education

Georgia Lighthouse Schools to Watch ***Lee Middle School***

The most special thing about Lee Middle School is the striving by the administration and faculty to keep it a true middle school in today’s ever changing world and its effect on education.

All faculty and staff strive to ensure that each student is well known by the adults in the building. Student mentoring forms are discussed with students and updated throughout the year including student learning styles, goals, strengths, challenges, and personal interest.

High expectations are held by all staff members as well as students. We set the bar high and always strive to meet students where they are and encourage them to do their personal best.

All students are rewarded with Wolf of the Day or Wolf of the Week certificates throughout the school year in addition to the Character Education “Timberwolf tickets” that are given by teachers and administrators. Students meet with the principal on a personal level when awarded certificates.

We have school-wide positive behavior expectations for everyone. We believe that modeling positive behavior in front of our students encourages them to want to model the same expectations. We utilize the HOUSE concept to build teaming efforts and students are awarded HOUSE points for exhibiting positive behaviors. Points can be spent throughout the nine week period as well as Reward Day at the end of each nine week period.

Students who struggle to follow the positive behavior expectations are not considered discipline problems but instead are given additional positive reinforcement through our individualized positive behavior program called the Wolf Pack (BEP).

WE BELIEVE! Our entire school community (faculty and staff, as well as students) believe that we are the BEST at everything we do. From academics to athletics to fine arts, we all take part in striving for excellence. We are the School of Champions and we are famiLEE!
